

MUSIC TO THE MAX

Music to the Max is a fun weekly singing class combined with instruments that help students experience the joy of making music.

Each month, Max the Music Monkey (my puppet) will introduce a new instrument that we will use in class to play fun and interactive music. We will also read a variety of books that will help us learn and discover more about the music. This class will introduce students to rhythm, basic musical terms along with a variety of musical genres.

Music to the Max will help with self-expression, fine and gross motor skills, and coordination.

After School Program
General Registration Form

This form serves as registration for all after school programs. By signing my child up, I agree that my child is registering for the full academic year of classes and not on a month to month basis. Should my child need to be released from the program, prior to the end of the school year, I agree to give a full's month notice in writing and to pay that month's tuition. I also understand that should my child miss a class for any reason, I still owe for that class as I am paying for the space, not attendance. A make up class is often not available due to full capacity in other classes. In addition, if payment is 30 days past due, my child will not be able to attend class until payment is paid in full, including any late fees incurred. If payment is delinquent longer than 30 days, my child's space may be filled with a child from the waiting list.

(Please initial each line)
